# Columbia Basin Culture Tour

Welcome to the fourteenth annual Columbia Basin Culture Tour, August 6 & 7. Self-directed and free of charge, this year's tour has 84 locations featuring the work of skilled local artists and fascinating cultural and heritage sites.

For further details about each venue, check out the profiles at [cbculturetour.com](http://cbculturetour.com) outlining the activities at each location and their availability outside of the tour. We invite you to keep the directory to help you connect with the arts and heritage community here in the Basin year-round!

COVID-19: All Culture Tour venues and visitors are required to follow current government COVID-19 guidelines and precautions, available here: [www.bccdc.ca/health-info/diseases-conditions/covid-19](http://www.bccdc.ca/health-info/diseases-conditions/covid-19) including: if you are sick or required to self-isolate, stay home; follow physical distancing, mask, and hand-washing recommendations; respect directions and occupancy limits posted at venues; do not travel in large groups; if a venue is busy, consider coming back later. Be smart, safe and respectful.

Despite precautions, being in public increases your risk of COVID-19. You need to decide your risk tolerance for being in public. Should guidelines change and require us to cancel the event, the latest updates will be posted to Facebook. [www.facebook.com/cbculturetour](http://www.facebook.com/cbculturetour)
